

Prayer Partners

Together in Prayer

June 2024

We are thankful for:

- Our donors, fundraisers, and volunteers, who support us year after year.
- The successful launch of our new strategy at our Elmbridge Family Centre, now providing support for those with special needs up to the age of 25.
- The small steps of progress in a child or young person's self-belief.
- The good times we enjoy with our families, friends and colleagues; for those precious shared moments that reveal a spirit of kindness, care and love.
- Gifts left in Wills. Legacies help us to continue our work and change many lives. We are truly grateful to receive such gifts.
- The restored confidence, resilience and self-worth, in those who have sought help through our counselling service.
- A fantastic weekend of creativity and bonding for fathers and their children on International Family Day at HMP Winchester.
- The grace of God and His timely blessing that shines down upon this charity, Spurgeons.

Did you know we have been helping children in need and their families for almost six generations? Our services change with the times but our core values remain the same: which are driven by our Christian faith.

We continue to pray for:

- Children and families who are going through this season of exams. For peace of mind through this stressful time.
- The millions of people who suffer from mental health. We pray that the support and resources we provide will improve their quality of life and wellbeing.
- Parents and children supported through our new **'Ask a Counsellor'** service, we pray that the advice they get from our counsellors will remove their anxiety.
- A Government that will listen to our voices, as we call upon them to address the disparity in mental health funding.
- Family relationships to bloom, despite the stress caused by the financial crisis and other family issues, like homelessness.
- Those who are feeling lonely and rejected, that they find someone who they can call a friend; someone who will remind them that they are precious too.
- Our dedicated staff who are moving mountains to support those in desperate need of help, always showing kindness, care and compassion.
