

Prayer Partners

Together in Prayer

February 2025

We are thankful for...

- A new year, new partnerships and the start of new programmes. We give thanks to God for His grace and guidance throughout 2024 and have faith that He will continue to guide us in our work in 2025.
- Rachel and her three young children, who ran from Bournemouth to Boscombe Pier in the pouring rain and raised an incredible £935 for Spurgeons. We are so proud of their amazing achievement.
- The children we work with. Their laughter, resilience and dreams inspire us to continue to do the job we do. They remind us of the boundless potential that is in every young heart.

Hope All Year!

It is our hope that this charity will continue to serve the poor, pray for the sick, and help the most vulnerable for many more years to come. What is your hope for 2025? What changes would you like to see this year? What prayer needs of your own do you have?

Please share your thoughts with us. Let us be bold in prayer, praying for one another, in one accord, as the spirit gives utterance.

You can contact us at prayernews@spurgeons.org or by calling 01933 412412.

Romans 15:13 NKJV

Now may the God of hope fill you with all joy and peace in believing,
that you may abound in hope by the power of the Holy Spirit.

Please pray for...

- Our colleagues that work in the services who are facing winter pressures. We pray that they receive the help they need and have someone to talk to.
- A family with children that have been diagnosed with autism and ADHD. We pray that the family receive the tools and information they need to be able to cope and support their children.
- A child who is struggling to cope at school and finding it hard to engage in the classroom. We pray that the counselling sessions she receives will help her to be less afraid and more confident.
- Our new partnership with Oasis Restore. A young offenders rehabilitation scheme in Kent. We pray for the restoration and healing of hearts; that these young boys and girls may find a renewed sense of hope and purpose for their lives.
- Our colleagues who deal with referrals. We pray that God empowers them to be able to keep up with the ongoing number of referrals they receive.
- The new EarlyBird Plus programme that we are offering to parents who have children with autism. We hope that this programme will help parents gain a better understanding on how to support their child.
- The people of California who have lost their lives and homes, due to the recent wild fires. We ask that a band of hope surrounds each one of them and that God gives them the wisdom to re-build a community stronger than before.

May hope be a beacon of light guiding us through the challenges we face;
reminding us that the God of hope is the light that overcomes the darkness.
