

Take on the 2020 Good News Challenge!

Good news! Christmas is coming and it's time to start the countdown. During Advent let's challenge ourselves to share the news of Jesus by doing practical things with our families, friends and community. Let's be reminded while we keep our social distance we can still love people the way God loves us.

It's been a tough year for all of us and what better way to share some love and hope this Christmas than taking on a Good News Challenge to remind others and ourselves that God is good and that we have hope in Him.

Cut out the challenges below and put them in a jar, choose one each day at random and complete the challenge as best you can.

Share your progress and forward a challenge to your friends on social media to spread some joy this Christmas using the hashtag **#SpurgeonsGoodNews**.
